Forecast For Southwest England
Issued by Met Office Exeter
at 0400 on Sunday 26 Sep 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Mostly fine during the day, becoming unsettled overnight.

Today:
Mist, fog and low cloud will clear during the morning leaving warm sunny spells. A few showers, and strengthening winds developing during the afternoon. Feeling cooler in the wind. Maximum temperature 21 deg C (70 deg F).

Tonight:
Cloud will thicken from the west this evening, with wet and windy weather arriving overnight. Towards the morning clearer, showery conditions will edge in across western parts. Minimum temperature 8 deg C (46 deg F).

Monday:
Overnight rain will soon clear from eastern areas to leave sunshine and showers. The showers will be heaviest and most frequent in the west, with local thunder. Winds moderating. Maximum temperature 18 deg C (64 deg F).

Outlook for Tuesday to Thursday:
Unsettled through this period. Prolonged rain or showers on Tuesday. Heavy possibly thundery showers, but with increasing sunny spells on Wednesday. Further showers likely on Thursday. Feeling cooler throughout.
